Apex Laboratory

is now....

LabFly
Mobile Lab Services

Formerly Apex Laboratory

Since expanding into the South Florida region in 2007 as Apex Laboratory, we have provided quality mobile lab services to more than 600,000 patients and nearly 9,000 healthcare providers.

In June of 2021 Apex was acquired by Northwell Health Labs, the largest Health System based Laboratory in the Northeast and another leader in mobile lab services.

As we have passed our two year anniversary of the acquisition, we are excited to announce that we are rebranding our service as **LabFly - Mobile Lab Services**.

Our business is Healthcare, just like yours. We will continue to service South Florida with patient-centered care for your homebound patients.
